Diana Cueva

Hi! My name is Diana Cueva, and I am a certified Dental Assistant and proud graduate of Downey Adult School. I am extremely satisfied with my career choice and grateful for the journey that brought me here.

I began my Dental Assisting program in October 2025 and successfully completed it in April 2026. Through dedication, determination, and the support of my instructors and peers, I was able to grow both personally and professionally throughout the program.

I feel confident starting my career in dentistry thanks to the exceptional instructors who guided us every step of the way. Instructors like Mrs. Hurtado and the dental team provided comprehensive knowledge of the various roles within the dental assisting field. Ms. Dunbar consistently went above and beyond, dedicating extra time to help us practice and master skills such as dental radiography. Additionally, Mrs. Cotton demonstrated incredible patience and care while teaching essential skills, including infection control, needle safety, and patient comfort—all while preparing us for multiple certifications.

My experience with the financial team was equally positive. Mr. Alex was supportive, communicative, and always willing to work with me throughout my journey.

The dedicated team at Downey Adult School has truly created a supportive learning environment, equipping my classmates and me with the skills and confidence needed to succeed in the dental field. I am incredibly grateful to every staff member who contributed to shaping my professional development and helping me build a strong dental portfolio.

Thank you, Downey Adult School, for being such an important foundation in the start of my dental career and for the memorable connections that have grown from this journey. I look forward to continuing to grow and expand my knowledge in dentistry.

My experience in the Downey Adult School Medical Assistant Program has been very positive. The program is well-organized and provides a strong balance between classroom learning and hands-on training. I gained valuable knowledge about patient care, medical procedures, and professionalism in the healthcare field.

Mr. V is an outstanding teacher who truly cares about his students' success. He explains things clearly, is always patient, and makes sure everyone understands the material. His real-world experience and encouragement helped me feel confident and prepared for my externship and future career as a medical assistant.

I would highly recommend this program to anyone interested in starting a career in healthcare. It's a great place to learn, grow, and gain the skills needed to succeed in the medical field.

I just completed my 6 modular program here for the Downey dental assistant program where my amazing instructors Mrs. Dunbar, Mrs. Cotton, Mrs. Aguilar, and Mrs. Hurtado have individually passed along their knowledge to us students that we will forever use in my dental career. Their teaching was amazing I've learned everything that I need to know within 6 fast months!

Downey Adult school has been an overall great experience for me, from getting my GED, to Completing Medical Assistant/Phlebotomy, and Career Prep, all instructors have been so helpful in every process of my journey, and welcoming when you have questions, will take the extra time to help how ever they can, Career Prep helped me to learn how to present myself more professionally in the work place, and write a presentable resume. It has giving me tools to be able to comfortably talk about myself and my goals going toward the future.

Court Reporting Voice writing is the process of speaking into a mask with high-powered microphones. Court Reporter Voice Writers repeat words verbatim using CAT (computer-aided transcription) software. The mask filters out sound and uses speech to allow text to translate into real-time testimony. Court Reporter Voice Writers use a different method than machine writers, but voice writers and machine writers produce the same result – a transcript.

Transforming Challenges into Opportunities

Keiry's ESL instructor, Claudia Escalera, is proud to recognize her outstanding dedication and perseverance in achieving her educational goals. Since enrolling in

January 2025, Keiry has demonstrated a strong commitment to personal and academic growth, returning to school with the goal of improving her English skills, supporting her daughter's education, and becoming more engaged in her community.

In March 2024, Keiry migrated from Honduras with her husband and daughters, making the difficult decision to leave behind her career as a middle school educator. This transition required tremendous courage and resilience as she adapted to a new country, language, and opportunities for her family's future.

Keiry began her journey in the ESL program with little to no understanding of English. Through determination, consistent effort, and a willingness to challenge herself, she has made remarkable progress. Throughout her time in the program, she has consistently exhibited a strong work ethic, active participation, and a genuine desire to learn. Her positive attitude and perseverance have allowed her to steadily build both her language proficiency and her confidence. She is an inspiring and motivating presence in the classroom, encouraging those around her through her dedication and positive spirit.

A major milestone in Keiry's journey was the successful completion of her GED in February 2026. This accomplishment reflects her discipline, resilience, and unwavering commitment to building a better future for herself and her family.

Keiry is currently enrolled in the Vocational ESL Healthcare program; a career pathway developed through Downey Adult School's collaboration with Cerritos College as part of the PAACE program. Through this program, she is developing the language and professional communication skills necessary for success in the healthcare field. She plans to continue her education by enrolling in the Medical Assistant and Phlebotomy program, further advancing her career pathway.

Keiry Hernandez exemplifies perseverance and determination. Her motivation and passion for helping others position her for continued success. We look forward to seeing her future achievements and the positive impact she will have on her community and the healthcare field.

STUDENT Highlight

Zeret Lopez

Hi! My name is Zeret Lopez, and I attended the Medical Assistant Program at Downey Adult School. The first time I came to this school was to take the Vocational ESL course with Ms. Claudia Escalera. It was in that class where I first learned about the opportunity to join the Medical Assistant Program.

Thanks to the support of Ms. Escalera, along with the help of the staff, I was able to complete my GED at DAS and move forward into the Medical Assistant program. Currently, I am continuing my journey with the guidance and support of two amazing instructors, Ms. Veronica Alvarado and Ms. Julie Spathopoulos, who, with patience and dedication, have helped guide me in becoming a Medical Assistant.

I would like to highlight the warmth and sense of community that the entire staff provides. They are always professional, supportive, and committed to helping their students succeed. The positive environment and the many opportunities offered at this school have truly made a difference in my educational journey.

"I have truly enjoyed having Zeret in my Medical Terminology class. She entered my class after successfully competing ESL here and quickly turned what could have been a challenge into strength by using her bilingual English Spanish skills. She was able to make strong connection between terms in Latin, vocab, and actively participates in class. Her dedication, and great attitude have made it a pleasure to have her in my class, and I know she will succeed in her medical journey." Ms. Julie Spathopoulos

"Having Zeret Lopez in my Medical Assistant/Phlebotomy combo class is an absolute pleasure; I have witnessed first-hand a level of dedication and maturity that truly sets her apart from her peers. From the very first day of class, Zeret established a reputation for exceptional reliability. She is consistently in her seat before the start of lecture, materials out and ready to engage with the day's lesson. This punctuality extends to her academic output; every assignment, project, and lab report has been submitted well ahead of schedule, demonstrating superior time-management skills and a disciplined work ethic. What impresses me most, however, is Zeret's genuine motivation to see others succeed. This innate kindness and compassion are essential traits in the medical field, where her dedication to patient well-being will undoubtedly lead to her success. Zeret possesses a rare blend of internal drive and a collaborative spirit. I am confident that she is proactive attitude and commitment to excellence will make her an invaluable asset in the medical field." Ms. Veronica Alvarado

REFUND POLICY

Downey Adult School – Career & Education Center (DAS) follows a fair and equitable refund policy for the refund of fees and other institutional charges as adopted by the school's accrediting agency, the Commission on Occupational Education.

Refunds are given if the class is canceled. If the student requests a refund, it must be prior to the third class meeting, whether attended or not.

Student initiated refunds will be assessed a fee of \$50 for CTE programs and \$10 for all other classes, once enrolled through the 3rd day of class. Students who withdraw from a program between the 3rd day and/or through 60% of the scheduled hours, per payment period*, which is half of most programs, will also be responsible for the prorated class fee for that period. Students who withdraw from a program having completed over 60% of any payment period, will be responsible for the full class fee for that period, no refund will be calculated. Students requesting a refund must complete a Refund Request Form from the front office. The Refund Request Form is also available here.

*Payment periods are half the number of hours in most programs, and programs with over 900 hours vary slightly; CSR payment periods are 450, 450, then 210 hours, and VN payment periods are 450, 450, 318, and 318 hours. (CSR is 1110, and VN is 1536 hours.) Once the form is completed by the student, it must be approved by Administration and processed. The refund check is then mailed to the student. The process may take up to 45 days.

No refunds on Community ED classes.

The full refund policy is available in the main office upon request and also by visiting <https://www.das.edu/fees/>

Refund of Title IV(R2T4) Policy

When a student withdraws or is dismissed from Downey Adult School, a determination of the earned and unearned portion of Title IV aid will be calculated. The date of withdrawal or last date attended will be used according to attendance records generated by the school's attendance system (ASAP).

STUDENT GRIEVANCE PROCEDURE

Downey Adult School is committed to the equitable treatment of all students, especially regarding their personal and professional concerns.

The purpose of this grievance procedure is to provide a means by which a grievance may be resolved in an equitable manner and in an atmosphere of courtesy and cooperation.

A grievance is defined as a complaint/dissatisfaction occurring when a student believes that a decision, an act, or an omission by a Downey Adult School employee is illegal, arbitrary, or creates unnecessary hardship upon the affected student. Such grievances may address, but are not limited to the following: academics, mistreatment, wrongful assessment of fees, registration errors, or records errors. Grievances alleging unlawful discrimination or failure to comply with state or federal law in adult basic education, consolidated aid programs, vocational education, childcare and development programs, child nutrition programs, and special education programs, should be made by following the steps outlined below.

The formal grievance process will begin after the issue has been discussed with the affected student and DAS employee(s), and an attempt at a resolution has been made, but the student's concern was not resolved at an informal level.

Grievances will be processed in accordance with the following steps:

1. Student to submit a written statement to current instructor, the program's Department Chairperson, and the Assistant Principal of Downey Adult School. Written statement will provide a description of the concern, include name(s) of individual(s) against whom the grievance is being made, and a description of the student's desired resolution. Upon receipt, written statements will be addressed, and student will be contacted, via email, within ten (10) calendar days.
2. If the student feels that the grievance continues to be unresolved, the student may request an in-person meeting with any/all named individual(s) and the Assistant Principal. All contents within the written statement, and meeting notes/comments, will be placed in the student's permanent file as a record of the proceedings.
3. If non-resolution of the grievance continues, the student may request an in-person review by the Principal of Downey Adult School. All meeting notes/comments will be placed in the student's permanent file as a record of the proceedings.
4. If the grievance continues without resolution, the student may request an appointment with the Deputy Superintendent of Downey Unified School District. All meeting notes/comments will be placed in the student's permanent file as a record of the proceedings.
5. After exhausting all above outlined steps, and the student feels that the grievance remains unresolved, the student may contact Downey Adult School's Accrediting Agency, Council on Occupational Education and submit the written statement, along with all proceeding notes/comments to:

Council on Occupational Education
7840 Roswell Road, Building 300, Suite 325

ABSENCE ALLOWANCES:

- Religious Observance & Holidays
- Bereavement
- Jury Duty

Religious Observance & Holy Days Policy

Students are permitted by DAS Attendance policy to be absent from class to observe a religious holy day. Instructors are asked to be responsive and accommodating to requests when students contact them **IN ADVANCE** to request such an excused absence. The student should be given an opportunity to make up missed work because of religious observance. Students are advised to scan their syllabi, course outlines, and Academic Calendars at the beginning of their respective CTE Program Start Date to identify potential conflicts with their religious observances.

- Please note that this applies only to the sort of holy day that necessitates absence from class and/or whose religious requirements clearly conflict with aspects of academic performance.
- **Students who miss class to observe a specified religious holiday (with prior notice) are expected to make prior arrangements with their instructor to make up any work missed.**
- DAS is a clock-hours institution, therefore, **any coursework and clock-hours that are missed due to the observance of a religious holiday, MUST BE MADE UP WITHIN A WEEK OF SAID ABSENCE.**
- DAS reserves the right to honor the observance of religious holy days **only** when students have communicated such a request **PRIOR** to the day that the absence will occur.
- DAS will consider periods of formalized mourning (i.e. shiva) as prescribed by a student's religion for immediate family on a case-by-case basis.
 - Students must contact DAS Administration to discuss planning for periods of formalized mourning.

Bereavement Policy

DAS's allowance for absences due to Bereavement purposes aligns with the same standards which DAS's faculty and staff follow.

DAS has the right to request documentation (on a case-by-case basis) that verifies the death of a family member (e.g., a funeral program or death certificate). It is up to the discretion of DAS Administration to determine if a death outside of the immediate family warrants implementation of the student bereavement policy.

As defined in DUSD's Bereavement Policy, article IV, section G, bereavement absences shall not exceed more than **three (3) excused days, except when travel beyond a 300-mile radius or out-of-state is necessary, in which case the absences shall be extended to five (5) excused days.**

- Absences due to Bereavement will not be counted against a student's program's allowable absences. However, all missed coursework and clock-hours **MUST** be made up within one (1) week of a student's return to school.

Jury Duty Policy

DAS agrees to grant students called for jury duty in the manner provided by law, up to five (5) excused school days.

Students Responsibility:

Students called for jury duty, must show proof of summons no less than two (2) weeks prior to summons date and notify (email) the following DAS staff:

- Instructor
- Program Director
- DAS's Student Services Department via DASLOA@dusd.net

Email MUST INCLUDE:

- Service date(s) upon receiving said notice from officers of the court (summons).
- DAS will require a certificate of Jury Service at the end of the performed jury service.

1. Students **are required to attend class** any day or portion thereof, as certified by the Court Clerk in which jury duty services are not required.
2. Students who are called to perform Jury Services beyond five (5) excused school days,
 - Will be placed on Leave of Absence and be administratively withdrawn from their current module.

A student in need of an In-School Deferment request form to be certified must email their In-School Deferment form to the DAS Financial Aid Office at DASFinancialAid@dusd.net

All deferment recipients must adhere to the standards set forth by their programs of study. Attendance must reflect appointed status in order for In-School Deferment to remain current.

DEFERMENTS FOR COURT REPORTING-FULL-TIME PROGRAM

The Court Reporting program is offered as "full-time" only at DAS. To qualify for full-time status, student must attend a minimum of 25 hours per week for 46 weeks.

- A direct loan borrower; A Perkins loan borrower;
- A FEEL program borrower who did not have an outstanding balance on a FEEL program loan that was first disbursed before July 1, 1987 when you obtained a loan on or after July 1, 2008 are eligible for this deferment regardless of prior borrowing in the FEEL program.

Students understand that if attendance does not reflect appointed status, they will no longer qualify for an In-School Deferment certification.

It is DAS's responsibility to report your new attendance status to National Student Loan Database System (NSLDS). It is the responsibility of the student to ensure attendance is accurate. Student must contact program director for any questions or problems regarding attendance. Upon receiving confirmation that DAS has certified and authorized their deferment, students are responsible for providing the signed form to their respective loan processors/creditors.
