### **2024 Annual Security Report**

This report has been produced in accordance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act and is available in electronic format at [www.das.edu](http://www.das.edu). Hard copies are available at the Downey Adult School (DAS) Financial Aid Office.

#### **ANNUAL SECURITY REPORT**

This report is the collaboration of a work group comprised of Downey Adult School Financial Aid Administrator, DAS administrative team, Financial Aid Department support services personnel and the Downey Unified School District (DUSD) governing board. Each entity provides updated information on their educational efforts and programs necessary to ensure compliance with the Clery Act. Additionally, it includes crime statistics from the local law enforcement agency (Downey Police Department).

Each year, the Director of Financial Aid Administrator and Financial Aid/Assistant Principal, prepare an Annual Security Report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. Institutions participating in Federal Title IV financial aid programs, must prepare, publish and distribute an Annual Security Report (ASR) to current, future students and employees. The ASR contains certain crime statistics and current campus safety and security policies in accordance with the Clery Act. The purpose of this report is to provide information relating to campus safety and security to aid future and current students and employees in making safe, informed decisions regarding our institution.

The Annual Security Report must be published, distributed and posted by October 1st of each year (unless otherwise authorized by US Department of Education) and contains three years of campus crime statistics and campus security statements in accordance with the Clery Act. The full text of this report is available upon request and is posted on the DAS website at: [www.das.edu](http://www.das.edu).

Campus crime, arrest and referral statistics include those reported to the designated campus officials (including but not limited to: Principal, Assistant Principal, Night Program Administrators, Campus Security Assistants) and local law enforcement agencies. The crime reporting statistics cover Clery crimes that occur on campus and on public property immediately adjacent to the DAS campus.

Each year, email and/or written notifications are made to all enrolled students providing the website address to access this report. Staff members receive similar notification via email/memo. Prospective students and employees have access to the report through DAS's web page at [www.das.edu](http://www.das.edu).

- Pursuant to Education Code 32286, detailed information regarding DAS's "Comprehensive School Safety Plan" is updated annually and available on the DAS website at <http://www.das.edu>. Upon request, a hard copy of the Annual Security Report and the Comprehensive School Safety Plan is available in the DAS Adult Education Main Administrative Office and Financial Aid Office. Requests for this information can be made in person, by telephone, or through written communication addressed to: Blanca Rochin,

Principal, Downey Adult School: Career and Education Center at 12340 Woodruff Avenue, Downey, CA 90241. The DAS administrative office telephone number is (562) 940-6201. Information on how to obtain the Comprehensive School Safety Plan and crime reporting procedures are included in the DAS Employee Handbook and DAS student orientation materials.

## CAMPUS GEOGRAPHY

The campus geography for the purpose of this report is: 12340 Woodruff Avenue, Downey, CA 90241 and public property immediately adjacent to the campus; specifically the public driveway located on the east side of Woodruff Avenue. ## **THE CITY OF DOWNEY AND DOWNEY UNIFIED SCHOOL DISTRICT SCHOOL RESOURCE OFFICER SERVICES FOR POLICE ON CAMPUS PROGRAM**

The Downey Unified School District and the City of Downey Police Department, as a result of grant funding from “Gangs Out of Downey” (GOOD) work cooperatively to promote safe, high performing schools and secure neighborhoods throughout the City of Downey. School and law enforcement representatives meet regularly to ensure ongoing dialog enables a high level of preparedness and responsiveness to safety concerns and reduces the risk of harm. Gangs Out of Downey (GOOD), a non-profit organization comprised of volunteers throughout the city of Downey who are committed to making a difference in the community, focus on breaking the gang cycle in the family unit and dissuading at-risk youth from ever joining a gang. GOOD provides the necessary resources and funding to keep gangs out of Downey, and by extension the schools which compose DUSD. School Resource Officer Services activities and services are listed below:

- School Security - *Traffic safety, emergency response plans, crowd control at special events.*
- Delinquency Intervention
- School Safety and campus safety practices
- Updates on Gangs, Drugs, and other illegal substances

In addition, because of the partnership that exists between the City of Downey Police Chief Carl Charles and DUSD Superintendent, Dr. John Garcia, keeping our schools safe continues to be a priority. Through regular meetings and teamwork, problems are acknowledged, and several preventative measures have been implemented to ensure public safety responsibilities are met. Through this decades-long collaborative effort, Downey Police Department shares information with Downey Unified School District officials regarding potential threats, as well as, provide information regarding criminal activity perpetrated on public property immediately adjacent to DAS’s campus. Please read this report carefully and use the information to help foster a safe environment for yourself and others on campus. DAS has been fortunate in experiencing very few serious crimes, but the Downey Police Department as well as Downey Adult School is aware of the possibility that a serious crime or disaster could occur at any time. We encourage students, staff, and visitors to report all suspicious activity and to take responsibility for adopting measures to protect themselves and their possessions. More information on the collaborative efforts made between DUSD and the Downey Police Department can be found here: <http://www.dusd.net/wp-content/uploads/2018/03/DPD-DUSD-Joint-Press-Release-032118.pdf>

### **COMPREHENSIVE SCHOOL SAFETY PLAN VISION**

DAS is committed to providing a safe and secure campus environment for our students, faculty, staff and visitors, as well as protecting our facilities, property and assets owned and operated by Downey Unified School District. Per DUSD Board Policy 1150, students and staff will have a safe, secure, and peaceful campus where they are free from physical and psychological harm. DAS’s administrators and staff are committed to maximizing school safety and to creating a positive learning environment that teaches strategies for violence prevention and emphasizes high expectations for student conduct, responsible behavior, and respect for others.

## **CAMPUS SECURITY AND SAFETY PROGRAM**

Downey Adult School does not have student housing facilities, student organizations with non-campus locations, nor a campus police department. The Downey Police Department is the primary respondent for all campus emergencies and all reports of criminal activity on the DAS campus and on public property within or immediately adjacent to and accessible from the campus. The Downey Police Department has the authority to make arrests and to conduct investigations of alleged criminal offenses. The Clery Act requires the reporting of violent crimes, burglary, and motor vehicle theft, as well as a summary of arrests and disciplinary referrals for liquor law, drug abuse, and weapons violations.

Additionally, Downey Adult School shares a campus with Columbus Continuation High School and benefits from having combined security personnel available on-site throughout the morning, afternoon, and evening class sessions. In addition to one (1) DPD School Resource Officer, DUSD employs three (3) campus security assistants available on campus five days a week during the morning and afternoon class meeting times. One (1) security assistant and Night Program Administrator are available in the evening to oversee the significantly smaller class sizes for the CTE programs hosted on-campus. They are available to assist school administrators with campus emergencies and/or reports of criminal activity on their respective campuses.

DAS has ten (10) cameras located throughout the campus in strategic locations that help provide a live feed of what occurs to help bolster the safety on-campus. The security feed is streamed directly to three (10) different screens inside the DAS Adult Education Main Administrative Office. The cameras operate 24 hours per day, 7 days a week, 365 days per year. Classroom areas and restrooms are open to students from 7:30 a.m. to 9:00 p.m., Monday through Thursday, and 7:30 a.m. to 4:00 p.m. on Fridays. The campus is also open on weekends from 8:00 a.m. to 5:00 p.m. to accommodate the small number of classes which are held on-campus. Downey Adult School Administrative Office is open from 7:30 a.m. to 7:30 p.m., Monday through Thursday, and 7:30 a.m. to 4:00 p.m. on Fridays. The Administrative Office is closed on weekends. All other areas on campus require keys to gain access. All Downey Adult School students are always required to wear photo ID Badges while on campus. Staff members are also required to wear name badges or photo ID badges.

The Sexual Assault & Violence Education (SAVE) and Violence Against Women Act (VAWA) laws include reporting requirements regarding incidents of intimidation, stalking, domestic violence, dating violence, sexual assault and hate crimes. It is DAS's policy to notify the Downey Police Department when such incidents are brought to DAS administration's attention and for them to implement investigational procedures. All crimes committed by a student or a staff member can result in immediate dismissal from DAS.

## **CAMPUS CRIME PREVENTION**

Throughout the academic year, DAS holds various crime prevention and security awareness programs to inform the students and employees about the campus security procedures and practices. The types of programs provided typically include crime prevention information presented through in-class presentations and online resources.

Information regarding domestic violence, dating violence, sexual assault and stalking is also available in the Administrative Office and Financial Aid Office. Brochures regarding domestic violence, sexual assault, stalking and mental health services can be obtained in the Main Administrative Office and Financial Aid Office. Anonymous help and mental health referrals can be obtained by students and staff through the DAS Pupil Personnel Services credentialed counselor.

During the student orientation session and new employee orientation, students and faculty discuss services offered by DAS, DUSD, and the local police department. Information on campus crime and sexual assault prevention strategies is included. Students are required to wear photo ID badges and are notified that security cameras monitor activity on campus. The common theme of all awareness and prevention programs is to encourage students and faculty to be aware of their shared responsibility with DAS for their own security and the security of others. Students are always encouraged to look out for themselves and for one another.

During the first day of each new program start, an instructor reviews the steps for reporting on campus crimes and emergencies with incoming students. They also address safety, security and the reporting of classroom emergencies. Downey Adult School maintains a Comprehensive School Safety Plan (CSSP) as required by Education Code 32282-32289. The contents of the CSSP include at a minimum, information assessing the status of school crime committed on campus and at school-related functions, strategies and programs that provide or maintain a high level of school safety, and procedures for complying with existing laws related to school safety.

### ACTIVE SHOOTER TRAINING

DAS's faculty and staff have participated in two Active Shooter trainings. The first training was hosted by Downey Unified School District and facilitated by a retired El Monte Police Department Officer. The second training took place during DAS's Staff Development In-Service Day and was presented by a seasoned Deputy Lieutenant of the Downey Police Department. Recent local and national tragedies remind us that the threat of an active shooter is real and increasingly prevalent in our society. DUSD's Board of Education and administrators believe that taking proactive steps now, can help staff react quickly and effectively if a threat were ever to present itself on our campuses. Both officers provided a comprehensive Action Shooter training for our school staff that included but was not limited to the following:

- An in-depth discussion how to prepare, survive, and be safe after an action shooter incident.
- Active shooter training video - both officers provided training video used by their law enforcement entities when training their own personnel.
- A question and answer forum - allowed for an even greater insight on how to properly prepare and deal with a live action shooter threat.

## DISASTER PREPAREDNESS

The Downey Unified School District has adopted and implemented a district-wide emergency plan that adheres to the guidelines as set forth by both the state (SEMS) and federal (NIMS) requirements.

The objectives of the plan, per DUSD Board Policy 3156, are the following:

1. To protect the pupils, employees, and facilities during emergencies that occur when school is in session and to establish appropriate plans for various emergencies.
2. To cooperate with local authorities in serving the community following a major disaster.
3. To inform pupils, parents, and the public of current emergency concepts and practices, and ensure that instruction is given in the schools of the District.

DAS updates and revises the Comprehensive School Safety Plan annually through a systematic planning protocol. The key elements in our plan include the following:

- Goals to assure each student a safe physical environment, provide each student with resiliency skills, and assure each student a safe, respectful, accepting and emotionally nurturing environment
- School procedures relating to school safety
- Emergency Response Plan

Prior to publishing the annual Comprehensive School Safety Plan, DAS administration seeks input from DUSD Student Services Administrator, Columbus High School Administration, Office of the Superintendent, and the DUSD School Board.

Each campus maintains informational charts, signs and maps, which are posted on a “safe wall” in each classroom and office. This information provides specific direction to threats and emergencies that may arise.

School administrators, office managers, security campus assistants, Allied Health Office, Financial Aid Office and custodial staff all have access to radios set to a common channel for effective communication and emergency supplies.

## EMERGENCY NOTIFICATION

DAS maintains the ability to notify the campus community in the event of an existing emergency through several methods. When it is determined by the local authorities that an emergency exists, the authorities will notify the Office of the Superintendent or Superintendent’s Designee - Assistant Superintendent, Secondary and the Principal or designated site administrator. The Emergency Response Plan will be implemented by the Assistant Superintendent of Secondary Education. The Superintendent and Police Department will determine if the emergency requires the immediate notification of the campus community. If it is determined that the campus should be notified because of an immediate threat to students or staff, the Superintendent or Assistant Superintendent will, without delay, activate one or more of the notification systems described below:

1. On Campus Public Address System: This system can notify the campus through the use of loudspeakers which are located on campus.

2. Employee Email: Messages can be sent to all employees who are listed as email recipients.
3. Email: Messages can be sent to all individuals who are listed as email recipients within the student records management database - *ASAP 3.0 system*.
4. Police Notification: Police will deliver messages through radios located in each police vehicle when available on campus.
5. Local Media: This is handled through the DUSD Office of the Superintendent. The Public Relations Coordinator will address all media such as radio, television and newspapers.

Situations for which emergency notifications will be used, may include but are not limited to:

1. Potentially life-threatening situations (including those that may exist near or around the campus boundaries) such as an active shooter, intruder on campus, bomb threats, or extreme weather (fire, floods, etc.)
2. Disasters, natural or otherwise: Earthquake, tsunamis, aircraft crashes, biological hazards or pandemics.

In the event of an emergency, mass notification of students and employees is currently made by accessing the following:

- Employee Email: Messages can be sent to all employees who are listed as email recipients.
- Email: Messages can be sent to all individuals who are listed as email recipients within the student records management database - *ASAP 3.0 system*.

When the DPD Police Chief or DPD's official designee decides that the emergency no longer exists, an "all clear" message will be sent using one or more of the above systems directed to all students, staff and visitors. Follow-up information is provided, as needed, to the community, by the administrator on duty, DUSD Office of the Superintendent or law enforcement agents. All systems are maintained regularly and routinely tested to ensure compliance and reliability.

Evacuation procedures and routes are listed in each classroom and building. Students are required to familiarize themselves with the evacuation procedures in each of their classes, as well as common areas, such as the Main Administrative Office and Allied Health Office.

The Downey Police Department is notified in the event of an incident of a criminal nature. Crimes in progress and other emergency situations in "on-campus" buildings are to be reported directly to the Downey Police Department by dialing 9-1-1. Non-emergency notifications should be reported to the Downey Police Department at (562) 861-0771. A school administrator should always be notified of any emergency and/or non-emergency situation as well.

"Alert" procedures are implemented during the following types of crisis: chemical accident, hazardous material spill, nuclear attack, aircraft accident, pesticide exposure, air quality advisory, or earthquake.

**Campus Lock Down** is a procedure used when an unauthorized or aggravated person is on campus. An Intruder on Campus Lock Down secures staff and students by limiting access to the school classroom, offices, and other buildings. As part of this procedure, everyone must remain inside until the situation has been declared safe and

given the “All Clear” signal by an authorized person (e.g., the Principal, site administrator or a law enforcement officer).

**Campus Lockout** procedures are implemented to prevent unauthorized persons from entering the school premises and is commonly used when the threat is general, or an incident or criminal activity is occurring in the immediate area of the school. This procedure allows school activities to continue as normal during the outside disruption. Either the school site or notification by local law enforcement can initiate a lockout.

Evacuation procedures are implemented under the following types of crisis: fire, earthquake, flood, or utility failure.

Pursuant to Education Code 32286, specific detailed information regarding DAS’s Comprehensive School Safety Plan and security policies is available on the following DUSD website: [www.das.edu](http://www.das.edu).

Upon request, a hard copy of these documents is also available in the DAS Adult Education Main Administrative Office and the Financial Aid Office located at: 12340 Woodruff Avenue, Downey, CA 90241.

### **TIMELY WARNINGS**

If a Clery Act crime occurs and represents a serious or continuing threat to students and employees, DAS administrators will immediately notify the local police department. The first responders to the scene are usually the police and emergency personnel. They will respond and work together to manage the incident. Depending on the nature of the incident, other departments and other local or federal agencies could also be involved in responding to the incident.

Upon verbal or written confirmation (by law enforcement, emergency personnel or school staff) of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees on the campus, the administrator on duty, designee, or police department will immediately notify the campus community via a public address system and e-mail messaging. The content of the notification is as follows, “This is a lockdown or lock out.” or “Evacuate the building. This is not a drill.” In the event of an actual emergency, all students, employees, and visitors will be directed to a safe location, by local police officers or emergency first responders. When additional resources are needed, school administrators and staff will assist with this process.

If it is determined that the emergency is of enough gravity as to require either a lockdown, lockout, or evacuation, the administrator on duty or designee will “without delay”, (taking into the account the safety of the community) determine the content of the notification and begin the notification process. This is the case, unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency.

All DAS employees receive training in responding to critical incidents on campus. Annual drills are conducted by the Downey Unified Student Services Department to test the effectiveness of procedures outlined for emergency evacuations and intruders on campus. The Administrator of Student Services schedules all drills and

coordinates with the police department and site administrators throughout the drill process. Administrator of Student Services logs all responses, reviews school site performance, and presents any findings during a debriefing meeting conducted with each site administrator. Follow-up activities are provided for participants to obtain feedback. Information detailing both procedures is published each year, in adherence to Clery Act compliance efforts. Instructors provide incoming students with information regarding the location of emergency exits in the buildings, as well as, the direction they should travel when exiting the facility during a short-term building evacuation. Additionally, scheduled fire drills provide all occupants with opportunities to practice drill procedures and familiarize themselves with the location of exits and the sound of the fire alarm.

The Downey Police Department is responsible for issuing timely warning notices. If a situation arises (either on-campus or off-campus) that, in the judgment of the Chief of Police, constitutes an ongoing or continuing threat, a campus-wide “timely warning” will be issued. The warning will be issued via DUSD Office of the Superintendent, campus websites and through loudspeaker page messages depending upon the sensitivity and time factors.

### CRIME STATISTICS AND CRIME LOGS

Crime statistics are reported pursuant to guidelines specified in the Jeanne Clery Crime Disclosure Act and as defined under the FBI Uniformed Crime Reporting procedures. Crime statistics for Downey Adult School can be found on the Department of Education’s website at [www.ope.ed.gov/security](http://www.ope.ed.gov/security). These statistics are collected from the Director of Financial Aid/Assistant Principal, Financial Aid Administrator and Principal. The Downey Police Department then reports them on-line according to the directives of the United States Department of Education. A monthly crime log is available for review, upon request. The Director of Financial Aid/Assistant Principal and Financial Aid Administrator are responsible for collecting this data. Students, prospective students and employees may contact the DAS Adult Education Main Administrative Office to access this information.

For more information regarding campus security or crime statistics, please contact Blanca Rochin, Principal, at (562) 940-6201.

### CRIME COLLECTING AND REPORTING PROCEDURES

Students, faculty, and staff are strongly encouraged accurately and promptly report all crimes to local law enforcement. Any suspicious activity of a person seen in the parking lots or loitering around vehicles, or inside the building should be reported to the local law enforcement agency. DAS does not have a police or security department, therefore, each year DAS reviews its crimes logs maintained by administration and requests the Clery Act crime statistics from the Downey Police Department in accordance with the campus geography.

**The emergency contact number is 9-1-1.**

**The contact number for the Downey Police Department is (562) 861-0771.**

In addition, students, faculty, staff and other members of the community should report a crime to the following administrators for making timely warning reports and the annual statistical disclosure.

Blanca Rochin, Principal (562) 940-6201

Cindy Grafton, Director of Financial Aid/Assistant Principal (562) 940-6203

It is the policy of Downey Adult School to provide prompt, sensitive and confidential service to all members of the campus community who may require assistance.

The following procedures have been established for victims or witnesses to report crimes on a voluntary, confidential basis for inclusion in DAS's crime statistics.

- If you are the victim of a crime, or if you need to report a crime, please report the incident as soon as possible to an instructor or DAS administrator.
- If you witnessed a crime, note the description of the person(s) committing or assisting along with any automobile information such as make, model, and license plate number, along with direction of travel.

To report a crime or an incident that you do not want reported to the Downey Police Department, you should contact the Principal or Assistant Principal. It should be noted that this staff member must report any crime listed in the Clery Act to the reporting office. The report will be written to ensure the anonymity of the victim, while taking steps to ensure the future safety of the campus community. This information allows the Assistant Principal or Principal to keep an accurate record of the number of incidents involving students, determine if there is a pattern of crime with regard to a particular location, method, or assailant, and alert the school and community of potential danger.

### PROCEDURES FOR CONFIDENTIAL REPORTING

Victims of crime may not want to pursue action with the school or the criminal justice system and may still want to consider making a confidential report. With permission, the Principal, Assistant Principal or a designee of the school can complete an incident report detailing the incident without revealing the victim's identity. DAS's administrative staff verbally encourages all victims to report crimes. The purpose of confidential reporting is to comply with the wish to keep matters confidential while taking measures to keep the campus community safe. Statistics, from reports filed in this manner, are counted and disclosed as part of the annual crimes statistics.

DAS does not have reporting procedures that encourage pastoral and professional counselors to inform the persons that they are counseling to report crimes on a voluntary, confidential basis for inclusion in the annual disclosure of crime statistics.

## TO REPORT AN EMERGENCY

Emergencies are unexpected events that must be dealt with urgently to protect the health and safety of others. Emergencies may be related to natural disasters such as earthquakes, criminal activity such as armed robberies, environmental disasters, or highly contagious health concerns.

The campus community is obligated to report all unsafe activities, potential and real emergencies, and/or criminal activities to the Principal or Assistant Principal as soon as possible. The following guidelines are as follows:

- When reporting emergencies by telephone, call (562) 940-6200 and ask for the administrator on duty.
- Please state your name, telephone number, and location.
- Give clear and accurate information.
- Be prepared to supply suspect and vehicle descriptions and the direction of travel.
- Please do not hang up until you have provided the office staff or site administrator on duty with all the information that they request.
- If you find yourself on-campus when you need to report an emergency, any DAS Main Office staff can assist you in connecting you with the administrator on duty.
- Based on the nature of the report, you may be asked to provide a statement for accurate reporting purposes.
- For more information regarding crime tips and prevention, visit here:  
[http://www.downeyca.org/gov/police/crime\\_prevention\\_and\\_safety/crime\\_tips.asp](http://www.downeyca.org/gov/police/crime_prevention_and_safety/crime_tips.asp)

## ACCESS POLICY

Downey Adult School does not have any campus residences. The campus provides access to its buildings during normal business hours to all employees, students, invitees, and visitors.

Per DUSD AR Policy 2411.2, “all persons who are authorized visitors shall report to the administration office for clearance, unless prior authorization is granted.”

Current students are issued picture ID badges that grant them access to campus resources, Monday through Thursday, from 7:30 a.m. to 7:30 p.m., and on Fridays from 7:30 a.m. to 4:00 p.m. The campus is secured during non-business hours by locking doors, locked perimeter gates and is only accessible by issued keys. Ten (10) surveillance cameras, mounted throughout the campus, provide additional security. For additional information regarding how our institution keeps its facility secure, please refer to the Comprehensive School Safety Plan at [www.das.edu](http://www.das.edu).

## SECURITY AWARENESS PROGRAMS

Periodic safety and security awareness programs are in place for students and employees of the Downey Adult School. The Assistant Principal provides monthly safety topics for review to staff and faculty. Instructors are then responsible for implementing a lecture on said topics within their curriculum. The common theme of these programs is to encourage students and employees to be aware of their responsibility for their own security and the security of others. The safety rules, including information regarding crime prevention, harassment, fire safety, incident reporting procedures, safety and wellness programs are reviewed during the first week of class and available to students in the Comprehensive School Safety Plan. Security, including crime prevention, is reviewed with employees at hire dates and during staff meetings. Instructors are required to discuss emergency evacuation procedures and safety policy on the student's first day of class. Visual emergency exit diagrams and procedures are posted at the entrances of all campus rooms.

## HATE CRIMES

The Downey Unified School Board affirms the right of every student to be protected from hate motivated behavior. It is the intent of the administration to promote harmonious relationships that enable students to gain a true understanding of the civil rights and social responsibilities of people in our society. Behavior or statements that degrade an individual based on his/her race, ethnicity, culture, heritage, gender, sexual orientation, physical/mental attributes, religious beliefs, or practices shall not be tolerated. Incidents of hate violence should immediately be reported to the school site administrator and Downey Police Department. The Police Department does not condone hate violence and is charged with ensuring that the rights guaranteed by state law and the U.S. constitution are protected for all people regardless of their ethnicity, race, national origin, religion, sex, sexual orientation, disability, or political/religious beliefs. ## SEXUAL OFFENSE POLICY

Downey Adult School (DAS) is required by the Clery Act to include in its Annual Security Report information about the school's sexual offense policy and procedures, prevention and how to access information on registered sex offenders in the community. <https://www.meganslaw.ca.gov/>

The Downey Police Department and Los Angeles County Rape Crisis Center offer sexual assault education and information programs to community members upon request. Literature on date rape education, risk reduction and response is also available in the DAS Main Adult Education Office and Financial Aid Office. Sexual assault is not tolerated by Downey Adult School. DAS will promptly investigate all allegations of sexual assault and take appropriate action where required. A student or employee who reports to DAS that they have been a victim of sexual assault, whether the offense occurred on or off campus, will be referred to the Downey Police Department by administration.

## DEFINITIONS

Sexual Assault - Defined as any sexual act directed against another person, forcibly and/or against that person's will; or not forcibly or against the person's will where the victim is incapable of giving consent because of his/her temporary or permanent mental or physical incapacity or because of his/her youth. Sexual assault includes, but is not limited to rape, forcible sodomy, penetration with a foreign object, sexual battery or the threat of sexual assault. There is legally no consent when either partner:

- is below the legal age of consent
- fears the consequences of not consenting (including the use of force)
- feels threatened or intimidated
- is coerced
- says no, either verbally or physically (eg. Crying, kicking or pushing away)
- has disabilities that prevent the person from making an informed choice
- is incapacitated by alcohol or drugs
- lacks full knowledge or information of what is happening
- is not an active participant in the activity.

Consent in reference to sexual activity - Defined as a voluntary, sober, imaginative, enthusiastic, creative, wanted, informed, mutual, honest, and verbal agreement. It is an active agreement, not a passive nod of the head or smile. Consent cannot be coerced, never implied, and cannot be assumed, even in the context of a relationship.

Just because one is in a relationship does not mean that that person has permission to have sex with a partner.

The Downey Police Department is the primary respondent for all campus emergencies and all reports of criminal activity on the DAS campus and on public property within or immediately adjacent to and accessible from the

campus. This includes reported incidents of domestic violence, dating violence, sexual assault, or stalking. It is DAS's policy to notify the Downey Police Department and for them to implement investigational procedures with DAS administration's cooperation. Witnesses, as well as, victims are encouraged by DAS to report crimes on a voluntary, confidential basis for inclusion in the school's crime statistics.

Sanctions:

Student: If a student is found guilty of committing a sexual offense, they will be dismissed from school.

Employee: If a determination is made that an employee is guilty of committing a sexual offense, the district may take disciplinary action, including suspension and dismissal, in accordance with law, board policy, administrative regulations and/or collective bargaining agreements.

[What to do if you are sexually assaulted](#)

If you are a victim of a sexual assault at DAS, your priority should be to get to a place of safety. You should then obtain necessary medical treatment. DAS strongly advocates that a victim of sexual assault report the incident as soon as possible. Time is a critical factor for evidence collection and preservation.

An assault should be reported directly to the Downey Police Department 911 or (562) 861-0771 and/or to the Principal, Assistant Principal or administrative designee. Filing a police report will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions. However, reporting is at the victim's discretion.

Filing a police report will:

- Ensure that a victim of sexual assault receives the necessary medical treatment and tests at no expense to the victim;
- Provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical/legal exam); and
- Ensure the victim has access to free confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention.

The Principal, Assistant Principal, or administrative designee will assist the student in notifying the authorities (if the student requests) and can refer the victim to a non-related, outside counseling service such as a local rape counseling center.

### Sexual Assault Disciplinary Action

The victim of a sexual assault may choose for the investigation to be pursued through the criminal justice system. To initiate disciplinary action against a student or employee for sexual assault, a report must be made to the Principal. The following disciplinary procedures will be conducted in cases of an alleged sex offense:

- DAS will delegate a representative to provide a prompt, fair, and impartial investigation of the specifics in the case, interview the accuser and accused, and any witnesses.
- The representative will have received annual training on the issues related to sexual assault and how to investigate and hearing process that protects the safety of victims and promotes accountability.
- DAS will conduct a meeting during which the accuser and the accused are entitled to participate and have the option of one person who has no formal legal training to accompany them throughout the meeting.
- If warranted, DAS may contact the local police to assist in the process.
- DUSD Assistant Superintendent, will be contacted to assist with the final determination with respect to the alleged sex offense and any sanction that is imposed against the accused.
- Both the victim and accused will be receiving simultaneous notification, in writing, of the outcome of any meeting and any available appeal procedures.
- A student found guilty of sexual misconduct could be suspended from school, recommended for expulsion, referred for other appropriate actions, and may be criminally prosecuted, per DUSD AR 1110.
- Any district employee accused of abusing, assaulting or neglecting a student may be subject to appropriate disciplinary action pending the outcome of an investigation by the appropriate agency., per DUSD AR 1110.

If a determination is made that an employee has committed any crime, the district may take disciplinary action, including suspension and dismissal, in accordance with law, board policy, administrative regulations and/or collective bargaining agreements. The Superintendent or designee shall seek legal counsel in connection with either the suspension or dismissal of the employee.

### Prevention and Awareness Programs

Downey Adult School is committed to providing services, resources and support to the victims of sexual assaults, domestic violence, dating violence and stalking. DAS explicitly prohibits these crimes. Any sexual assault or physical abuse, including, but not limited to, rape whether committed by an employee, student or member of the public, which occurs on District property, is subject to all applicable punishment, including criminal procedures and employee or student discipline procedures. Students, faculty, and staff who may be victims of sexual and other assaults shall be treated with dignity, respect, and be provided with comprehensive assistance.

Information to educate students and employees and promote awareness about domestic violence, sexual assault, dating violence, date rape and stalking is available in the DAS Adult Education Main Administrative Office. In addition, there is referral information/literature about date rape, risk reduction, and sexual assault available to students and employees. This literature is in the DAS Adult Education Main Administrative Office.

Anonymous help and mental health counseling referrals can be obtained through DAS administrators. Employee assistance referrals are available through the DUSD Department of Human Resources. DAS's primary concern is the safety of the survivor and campus community.

### Risk Reduction and Prevention Awareness Campaign for Students and Employees

### Bystander Intervention

Bystander intervention focuses on helping individuals understand and become more sensitive to crimes of sexual assault, domestic violence, dating violence, and stalking by providing prevention and interruption skills.

The bystander role includes:

- Remember, if you perceive someone to be in presence of immediate harm, do not hesitate to call 9-1-1

## SEX OFFENDER REGISTRATION

In accordance to the “Campus Sex Crimes Prevention Act” of 2000, which amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act, the Jeanne Clery Act and the Family Education Rights and Privacy Act of 1974, public information regarding sex offenders in California may be obtained by viewing the Department of Justice Online Megan’s Law website, at: <http://www.meganslaw.ca.gov>.

Sex offenders are required to register and provide notice of each institution of higher education in the state at which the person is employed, carries a vocation, or is a student. Registry information shall be used for the purposes of the administration of criminal justice, screening of current or prospective employees, volunteers or otherwise for the protection of the public in general and children. Unlawful use of the information for purposes of intimidating or harassing another is prohibited.

## VIOLENCE AGAINST WOMEN REAUTHORIZATION ACT OF 2013 (VAWA)

On March 7th, 2013, President Obama signed the Violence Against Women Reauthorization Act of 2013 (VAWA). The law amended the Clery Act and required schools to provide students and employees the procedures to follow once an incident of domestic violence, dating violence and/or stalking has been reported.

DAS includes statistics on the VAWA crimes in their Annual Security Report. A student or employee who reports to DAS that the student or employee has been a victim of domestic violence, dating violence, sexual assault or stalking, whether the offense occurred on or off campus, has rights and options as described in the Domestic Violence, Dating Violence and Stalking Policy.

For more information, please see the Violence Against Women Reauthorization Act of 2013:  
<https://www.gpo.gov/fdsys/pkg/BILLS-113s47enr/pdf/BILLS-113s47enr.pdf>

Sexual Assault - Defined as any sexual act directed against another person, forcibly and/or against that person’s will; or not forcibly or against the person’s will where the victim is incapable of giving consent because of his/her temporary or permanent mental or physical incapacity or because of this/her youth. Sexual assault includes, but is not limited to rape, forcible sodomy, penetration with a foreign object, sexual battery or the threat of sexual assault.

Consent in reference to sexual activity - Defined as a voluntary, sober, imaginative, enthusiastic, creative, wanted, informed, mutual, honest, and verbal agreement. It is an active agreement, not a passive nod of the head or a smile. Consent cannot be coerced, is never implied, and cannot be assumed, even in the context of a relationship. Just because one is in a relationship does not mean that person has permission to have sex with a partner.

Domestic Violence - Defined as a felony or misdemeanor crime(s) of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabiting with or has cohabitated with the victim as a spouse, by a person similarly situated to a spouse or the victim under the domestic family violence laws where the violence occurred, or by any other

person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of California.

Dating Violence - Defined as violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim and where the existence of such a relationship may be determined by the length of the relationship, the type of relationship and the frequency of interaction between the persons involved in the relationship.

Stalking - Defined by the VAWA Amendment as engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others, or to suffer substantial emotional distress.

Domestic violence, dating violence or stalking by an employee or student is prohibited and will not be tolerated by Downey Adult School (DAS). If a student or an employee is alleged to be the victim or perpetrator of domestic violence, dating violence or stalking, a school administrator will promptly investigate all allegations of these alleged crimes and take appropriate action as required.

### Rights to Confidentiality

The name or identity of a victim of domestic violence, dating violence, sexual assault or stalking crime will be kept confidential upon request of the victim, per Penal Code Section 293 and Government Code Section 6254 (f). To protect the privacy of the individuals involved, the school will not release names without the consent of those involved, unless the release is essential to the health and safety of the victim, or the campus community, or in the fulfillment of the legal obligations of the school.

### What to do if you are a victim of domestic violence, dating violence, or stalking

If you are a victim of domestic violence, dating violence, or stalking your priority should be to get to a place of safety. If necessary, you should then obtain necessary medical treatment or forensic examination. DAS strongly advocates that a victim of sexual assault, domestic violence, dating violence, or stalking report the incident in a timely manner. Time is a critical factor for evidence collection and preservation. The alleged offense should be reported to the Director/Principal, Assistant Principal or designee, in writing, especially for crimes committed on or near the campus.

In addition, victims should report directly to the Downey Police Department 911 or (562) 861-0771 to obtain information regarding having a forensic examination. Reporting is at the victim's discretion. The Principal, Assistant Principal or administrative designee can assist the employee or student in notifying authorities, if requested.

Filing a police report with the Downey Police Department will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions from officers.

Filing a police report will:

- Ensure that a victim of domestic violence, dating violence, or stalking receives the necessary medical treatment; and
- Provide opportunity for the collection of evidence as it may be necessary to the proof of criminal or institutional conduct proceeding arising from the report of domestic violence, dating violence or stalking or in obtaining a protection order.

Downey Adult School does not provide on-campus or off-campus professional counseling services. However, DAS can refer the victim to a non-related, outside counseling service such as a local domestic violence agency. Such agencies can provide mental health, victim advocacy, legal assistance, visa and immigration services, and other services for victims. Employees of DUSD can contact the Department of Human Resources for assistance with resources.

Disciplinary Action for Domestic Violence, Dating Violence and Stalking

The victim of domestic violence, dating violence or stalking may decide to pursue an investigation through the criminal justice system, Downey Adult School, or only the latter. To initiate disciplinary action against a student or employee, by contacting DAS Principal, Assistant Principal or administrative designee.

The following disciplinary procedures (steps) will be conducted in cases of an alleged domestic violence, dating violence or stalking that occur when the alleged is an employee or student:

1. DAS will delegate a representative to provide a prompt, fair and impartial investigation of the specific facts in the case, interview the accuser and accused, and any witnesses.
2. DAS administrators, in conjunction with trained representatives, will have received annual training on the issues related to domestic violence, dating violence and stalking and how to investigate that protects the safety of victims and promotes accountability.
3. DAS will conduct a meeting during which the accuser and the accused are entitled to participate and can be accompanied to any related meeting by the advisor of their choice.
4. Both the accuser and the accused will be simultaneously informed in writing of the school's determination with respect to the alleged domestic violence, dating violence and/or stalking offense and any sanction that is imposed against the accused.
5. The accused and/or the victim have a right to appeal the results of the disciplinary proceedings. The appeal must be made in writing to the Principal and must address the specific concern or concern that he or she is not in agreement with. If an appeal is received, all the documentation, evidence and reports will be reviewed by the legal counsel.
6. DAS will consult with the DUSD legal counsel and notify the accuser and accused. A final determination will be made and will not be appealable. Compliance with these provisions does not constitute a violation of Section 444 of the General Education Provisions Act (20 U.P.S.C. 1232g) commonly known as the Family Educational Rights and Privacy Act of 1974 (FERPA).

### Disciplinary Proceedings/Standard of Evidence

DAS is committed to providing a fair and impartial process for a disciplinary proceeding of reported domestic violence, dating violence, sexual assault or stalking. The standard of evidence used during the disciplinary process will be a preponderance of evidence. This definition is the same as is used in most civil courts and is not the standard of beyond a reasonable doubt. The preponderance of evidence means that the offence “more likely than not” occurred. The proceedings are conducted by DUSD officials, who receive annual training, related to domestic violence, dating violence, sexual assault, and stalking, including training that protects the safety of victims and promotes accountability.

#### Sanctions:

Student: If a student is found guilty of committing an act of domestic violence, dating violence, sexual assault or stalking, they will be dismissed from school.

Employee: If a determination is made that an employee is guilty of committing an act of domestic violence, dating violence, sexual assault or stalking, the district may take disciplinary action, including suspension and dismissal, in accordance with law, board policy, administrative regulations and/or collective bargaining agreements. The Superintendent or designee shall seek legal counsel in connection with either the suspension or dismissal of the employee.

### Reasonable Accommodations for Victims

If requested by the victim, and if such accommodations are reasonably available, victims of domestic violence, dating violence or stalking may have an option to change their academic, living, transportation, and working situations regardless of whether the victim chooses to report the crime to local law enforcement. In addition, DAS and DUSD will make reasonable accommodations to assist victims with schedule and/or academic changes if an order of protection, order of no contact, restraining order or similar lawful order is issued by a criminal, civil or tribal court.

### Prevention Programs

DAS maintains literature and other information to educate students and employees about the prevention and awareness of domestic violence, dating violence, sexual assault, and stalking in the Main Administrative Office and Financial Aid Office. In addition, DAS has a list of resources available locally that can provide counseling and additional referral information. For additional local resources, one can refer to the copy of The Collaborative Community Network Resource Guide which can be found in the Financial Aid Office or the Main Administrative Office and on the following website: [www.das.edu](http://www.das.edu).

Statistics, including crimes committed on campus, and campus disciplinary actions are collected by the DAS Administration - Principal and Assistant Principal. Since DAS does not have residential facilities on our campus, no statistics are available. For more information regarding campus security or crime statistics, please contact the office of Blanca Rochin, Principal of Downey Adult School at (562) 940-6201.
